Principal's Panui

Kia ora,

It's nearly the end of the term and we have lots to celebrate and be thankful for. Our working bee was well attended and we ticked off lots of jobs that make our school both more attractive and a safe outdoor environment for all. Thank you everyone for pitching in, the school community vibe is truly alive and well.

The completion of our Small Schools Upgrade and Whole School Property Upgrade along with the repainting of the school, mean we have an attractive and well kept environment in which to learn and play. Jody Nicholls from the Ministry Property Team and Peter Chisholm from Onus, our Property Project Manager have both been regular visitors and kept everything on track. Ben Curties and his team have done a fantastic job. Thanks one and all.

I was extremely fortunate to be able to attend the Trans Tasman Principals Federation Conference in Christchurch last week. The theme was *Leading Learning Together*. The opportunity to listen to keynote speakers, connect with colleagues and attend quality breakout sessions meant that I could shift my focus on to the broader picture and global trends in education, while also taking on new learning that will enhance my abilities as teaching Principal. I'll share more of my learning at a later time. A huge thank you to Marion for being available and taking great care of the tamariki and the school in my absence. I truly appreciate the way Marion slips so seamlessly into the programme and it's great to know Waitaria Bay School is in such capable hands.

Thanks also to Trudie and Agi for stepping in and taking care of the lamb feeds over the weekend. The lambs will need looking after over the holiday break, they will be on 3 feeds a day. I'll send out a separate note and be in touch to see how we can best cover this off.

The tide times look great on Friday for our quarterly Sustainable Coastlines Manaroa Beach Clean, however unfortunately the weather forecast is not favourable so we will postpone our clean up until the beginning of next term.

Whaea Marion and the students are busy preparing and looking forward to showcasing some of our learning from Term 3 at our end of Term Assembly to be held in the top classroom on Friday from 1.30pm. We hope you can make it.

Speaking of next term, we will recommence our swimming instruction and of course be wearing our sun hats. Term 4 is again action packed and the 2025 school calendar is also filling up with awesome events and learning opportunities for our tamariki.

Ngā mihi,

Tineke and the team.

We'd like to invite you to join a public meeting we are hosting in Picton at 3pm on Saturday 21 September to discuss the future for rail and ferry services in the region. You are welcome to share these meeting details with others in your network.
